

# **A Prayer for Vocation Discernment**

By Sister Danielle Gagnon

There is so much competing for my attention, God, and all  
I want is to know you better.

Reach through my busy days to draw me closer to you.  
I ask for wisdom to make decisions that lead me to light.

I ask for light to follow the path that leads me to love.  
I ask for love to fill my heart that searches for you.

All of this, my God, I ask so that I may be your mercy to  
each and all.

Amen.
